

Easy and secure payment

1) Irrevocable bank transfer guarantee

Please deposit our form for an irrevocable bank transfer guarantee with your bank. Once you have inspected the vehicle in Berlin, please telephone your bank and ask it to fax the form to us. Please ensure that you can reach your bank advisor at the time the vehicle is collected. If you use an online banking service and therefore do not have access to a personal contact, we recommend using a different payment method. Your bank may also use its own form, provided that an irrevocable bank transfer is guaranteed.

2) Cash purchase

Simply pay on collection.

3) Advance payment

Once you have chosen a vehicle, we will send you an invoice, to be paid by bank transfer prior to collection.

Our team will be happy to help if you have any other questions relating to the payment procedure. Hotline: +49 (0)30-40 50 29 22 20
